WHISTLER'S PATH TOWARD ACCESSIBILITY AND INCLUSION

Whistler is on a journey to sustainability. Our Whistler2020 vision – “To be the premier mountain resort community – as we move toward sustainability” drives our accessibility actions.

As one of the results of preparing for the 2010 Olympic and Paralympic Winter Games, the Resort Municipality of Whistler adopted the Measuring Up program and began the process of developing an accessibility strategy that encompasses much more than a focus on just physical change to the environment, but also on inclusion.
